POWER SUPPLY ASSEMBLY

Design Specification Sheet

Company:		Customer P/N:	
----------	--	---------------	--

Engineer(s):		VMI Part No:	
--------------	--	--------------	--

Telephone:		Fax:	
------------	--	------	--

Due Date:		Qty to Quote:	
-----------	--	---------------	--

Target Price:		Qty/Usage/Time Span:	
---------------	--	----------------------	--

Assembly Type:		Program/ Application:	
----------------	--	-----------------------	--

Input Voltage	
---------------	--

Input Current Max:	
--------------------	--

Output Voltage(s):	
--------------------	--

Output Ripple:	
----------------	--

Output Current:	
-----------------	--

Line Regulation:	
------------------	--

Load Regulation:	
------------------	--

Size (Max/Preferred)	
----------------------	--

Mounting:	
-----------	--

Terminations:	
---------------	--

Non-Op Temp:	
--------------	--

Operating Temp:	
-----------------	--

Special Requirements:	
-----------------------	--
